PROPERTY OVERVIEW

This 1.24-acre site is cleared and ready for development, with utilities on site and full perimeter fencing, so a tenant can move quickly without the time and cost of site prep. It's zoned BA (Automotive-Oriented Business) by the City of Gainesville, one of the city's most flexible commercial districts. BA is designed for businesses that rely on vehicle access and visibility.

BA permits a broad range of uses by right, including vehicle sales, repair, and rental, carwash, fuel station, retail, restaurants with drive-through, office, personal and veterinary services, light equipment rental, light assembly and fabrication, self-storage, trade schools, and indoor or outdoor recreation. Wholesale trade is allowed with a special use permit. Setbacks are 15 ft front and rear and 10 ft side interior, with a maximum height of 5 stories. That makes the site a strong fit for an owner-user, a contractor yard, or a highway-oriented business.
