

Additional Information for 948 Bass River Road

Some of our favorite places and things to do...

General:

6A is on the northside of the Cape. It is the quieter, less developed. Route 28 is on the south side. It is busier and has lots more action.

Hyannis is the practical town on the Cape. Big box stores, the mall, the airport, etc

The beach is wonderful to walk on, but there are lots of [hikes around the Cape](#)

Food close to the house:

[Grumpy's](#) A family favorite for breakfast. There is often a line, but it is worth the wait. If you get there before 8:30 the line should not be too bad

[The Red Cottage](#) This was our parents' favorite breakfast spot.

[The Mercantile](#) Walking distance from the house. Great coffee and breakfast treats. Really good sandwiches.

[The Snowy Owl:](#) Turn Left on 6A – it is a few miles down the road in Brewster on the left side. Great coffee and muffins. A fun atmosphere to sit and hang out.

[Scargo Café](#) Walking distance from the house. The bar is nice.

[Pecorino:](#) Great Italian food walking distance from the house.

[Lost Dog Pub](#) A Kennedy Family favorite for dinner. The bar is warm and fun

Patriot Square – Dennis. There is a full service grocery store, movie theater, drug store, urgent care etc. Across the street is Ring Brothers Market. A high end grocery store with lots of great prepared food, bread, smoothies and a bakery.

Beaches:

Corporation Beach - Walking distance – Turn right out of the driveway, cross 6A onto Hope Rd. Turn Right on Whig, left on Corporation Rd and dead end at the beach. About 1 ½ miles

Chapin Beach - Dennis Check the [tide chart for Sesuit Harbor](#) before you go. If it is high tide there is not much beach to walk on, if it is low tide the surf will be almost half a mile away. It is pretty cool.
