

\$650,000

33 HARRISON STREET EASTON, MD 21601

Discover a rare opportunity to own a distinguished commercial building in the heart of downtown Easton. Built circa 1890, this historic property combines timeless charm with modern functionality, making it the perfect space for a variety of professional uses. As you enter the building, you're greeted by a charming foyer setting the tone for the rest of the property. The building offers a thoughtfully designed layout, featuring spacious office and storage areas that accommodate various business needs. A well-equipped kitchenette provides convenience for staff. The second floor continues to impress, with additional office spaces ideal for expanding your business or providing private work areas and storage space. Situated in a prime location, this property offers quick access to Easton's vibrant downtown amenities. The close proximity to restaurants,
