PEACEFUL PRIVACY ON WEST ELK CREEK

A recent new build in 2022 with 82 acres of elbow room. Enjoy this peaceful sanctuary on West Elk Creek, yet be just 15 minutes from New Castle. A sunny South exposure facing great views across meadows and aspen groves. Your privacy is protected on two sides by White River National Forest and BLM. The Star Link system is included for off grid connectivity, along with a sophisticated solar electric system and on-demand propane hot water. Quality finishes include alder doors and cabinets and tile floors throughout. The passive solar design is warm in winter yet has overhangs that block out the sun in summer. A wood stove and propane heaters work with the sun for winter warmth and comfort in this well-insulated 4-bedroom home.
